Duke of Edinburgh Award First Aid Training

In order to manage the numbers participating we are now running the First Aid training over 3 days. I have tried to accommodate individual requests when assigning participants to a day. If the day that has been assigned to you is not suitable then please try to make a direct swap with someone who has been allocated the session that you would prefer. You should then email me to let me know what changes have been made. Please note that we can have no more than 24 students on each day due to the requirements of the first aid trainers.

All participants should meet by the portacabins at 8:45am. The day's training will finish at 5pm.

You will need lots of warm clothing, waterproofs (top and bottoms if you have them) and outdoor shoes (wellies will do) as some of the course will take place outside.

You will also need a packed lunch and snacks to get you through the day.

Please let Mrs Neilson know if you have any queries or are unable to attend for any reason.

If you need to get in touch with a member of staff during the day then please phone Mrs Neilson or Mrs Sproat on **07756 531716**

Thank you

Mrs C Neilson
